

**Jaime Fitzgibbon**

AI/ML Program Manager

--

Jaime serves as a Program Manager for DIU's Artificial Intelligence and Machine Learning (AI/ML) portfolio. She runs AI-centered prototypes of commercially proven solutions with DoD and IC mission users to accelerate emerging technology adoption for operational needs.

Prior to joining DIU, Jaime's experience spanned leadership roles across senior product management, program management, customer success and technology scouting across Silicon Valley, DC and Europe. In addition to Jaime's private sector experience, she served as a Deputy Director within the Bureau for Democracy, Human Rights and Labor (DRL) at the Department of State, African policy lead within the United States Senate and a Public High School French Teacher. Jaime has an active Program Management Professional (PMP) Certification and holds both a Master's of Public Policy and a Bachelor of Arts in French Education.
